

March, 2010

Dear Friend,

Do you believe in the value of education? Are you interested in having a positive impact the community? You can help a family in your area by sponsoring **free tutoring services** to a child in need.

ACES Academic Consulting & Educational Services is a local tutoring company that has worked in Palm Beach County for five years. We provide free tutoring services to low income students through the No Child Left Behind federal grant through the school district. Although we have been able to help many students, there are so many families who are not eligible for this specific program but still need the help. Because we have seen the incredible difference that individual tutoring can make, we have begun a new program to provide free tutoring to even more students.

The ACES Tutoring Scholarship Program will provide free services for low-income students in grades K-12. Students will receive eight hours of one-on-one tutoring and eight reading books to keep. Our first goal is to raise \$1,000 to provide 10 free tutoring scholarships for students in the Riviera Beach area.

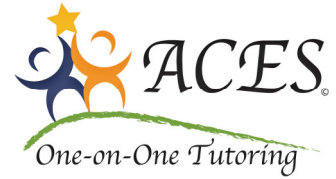

This program will only be possible through the collaboration of several groups.

- **Schools and community leaders** will help identify families in need.
- **Parents** will commit to a tutoring schedule and to encouraging their students at home.
- **Tutors** will volunteer to work at a drastically reduced rate.
- **ACES** will provide tutoring materials, tutor training, parent communication and administrative management.
- **Sponsors** will help raise the needed funds.

As an ACES Sponsor, you will directly benefit the education of a student in Palm Beach County. Please consider making a small contribution that will have a large impact.

Thank you,

Patti Lazenby
Manager

ACES Tutoring Scholarship Program

Yes, I want to become an ACES SPONSOR and support a family by providing FREE tutoring services!
